REGULATORY COMPLIANCE

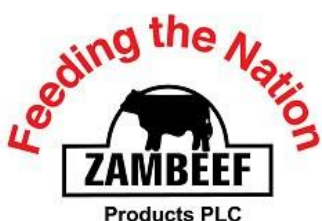

At Africa 360 Cargo Handling Services Limited, we place the utmost importance on regulatory compliance, ensuring that all our operations align with the latest local and international laws governing logistics, customs clearance, and transportation. Our dedication to compliance includes:

- Kenya Revenue Authority (KRA Compliant and Registered with iCMS): We are fully compliant with the Kenya Revenue Authority and integrated into the iCMS, streamlining customs clearance and ensuring tax accuracy.
- Kenya Ports Authority (KPA-Registered): Our registration with KPA allows us to operate efficiently within all Kenyan ports, handling cargo smoothly and securely.
- Kenya Bureau of Standards (KEBS-Compliant): We comply with KEBS standards, ensuring all goods meet quality and safety requirements for local and international trade.
- Port Health Compliance: We adhere to all Port Health regulations, guaranteeing that goods impacting public health are cleared according to safety and health laws.
- Kenya International Freight and Warehousing Association (KIFWA-Registered): As a member of KIFWA, we uphold industry best practices and professional standards in freight forwarding and warehousing.
- National Transport and Safety Authority (NTSA-Compliant): We comply with NTSA road safety standards, ensuring that our fleet and operations are in line with transportation safety regulations.

OUR CLIENTS

At Africa 360 Cargo Handling Services limited, we are proud to partner with a diverse portfolio of clients, ranging from small businesses to large enterprises across various industries. Our commitment to excellence and tailored logistics solutions has earned us the trust of our clients, helping them achieve efficiency, reliability, and growth in their operations.

We are dedicated to building long-term relationships by delivering outstanding service that exceeds expectations.

DIRECTOR'S STATEMENT

First, I would like to thank Almighty GOD for His sufficient mercies and grace. Thank you too for considering the services we offer as Africa 360 Cargo Handling Services Limited in a wide range of customs clearance and Logistics. We acknowledge the length and the breath of our competitors, but we are confident we can provide you with properly tabulated, efficient, compliant and cost-effective service. Africa 360 Cargo Handling Services Limited strives to create a seamless experience and conducive environment to our clients. Our goal is to ensure that customs clearance and Logistics is not just an exchange of services and funds but with continuous support and improvements in our knowledge base and IT infrastructure. We are able to put in cost saving measures for our clients. These include initiatives such as heighten compliance and timeous clearances. There is no better time than now to try us.
